POETRY.

All through the dark and dreary night, A cold form haunts my aching sight. A figure clothed in spectral white.

Her voice comes to me on the breeze, That, wailing through the cyprose trees, Seems whispers from the far-off seas. I hear it in the wind's wild moan At midnight when they sadly grean And speak to me in love's low tone.

It is my own lost Isabel— Her voice, alas! I know too well, For oft I've owned it's magic spell.

No more o'er waters wild to roam, She lies beneath the salt sea foam, Far, far from lover, friends and home. "Oh, cruel ocean, cease thy roar."
Lo! From the far-off distant shore
Comes back the cry of "Nevermore."

Prom New York.

New York, May 24.—The Times says the trial of Mr. Davis will commence at Richmond within two weeks. He has as counsel Charles O'Conor, James T. Brady and George T. Shea, of New York, Wm. B. Read, of Philadelphia, Brown, of Baltimore, and Geo. E. Pugh, of Ohio. The report of the death of Senator

Wright, of New Jersey, is contradicted. From a report prepared by the Chamber of Commerce, it appears that the number of vessels captured by the Confederate privateers was 83. Their tonnage being 132, 307, and the estimated value of the vessels and their cargoes \$25,465,000, while half of those were bonded and released, leaving \$20,088, 000 as the value of the property actually destroyed.

The United States Commissioner has discharged Otto Burlendender, declaring he should not be held, as he was not personally engaged in shipping nitro glycerine

The Herald asserts that the Government lately loaned from \$20,000,000 to \$30,000,000 in gold to keep down prices, but the effect was disastrous, and speculation is rampant.

Prom Washington.

WASHINGTON, May 24. - At the sere nade to the President last night, McCulloch and Dennison cordially approved of the President's policy. Stanton considered the reconstruction section of the amendment, disqualifying Southerners as deplorable, and without justice or wis-Speed and Harlan declined to speak.

In a letter respectfully discourteous and tart, Forney denounces McCulloch's speech as a brutal endorsement of the tyrant, by supercilious official direction.

The present departments of North Carolina, South Carolina, Georgia and Alabama are discontinued. The Carolinas are now one department, commanded by Gen. Sickles. In the absence of any action by Con-

gress, preparing for the prompt redemption of the currency of the National Banks, the Secretary of the Treasury contemplates establishing, at the Treasary Department, a system of sorting and forwarding to the banks, for their redemption, the National Bank issues.

The Constitutional amendment bill in the Senate and the Freedmen's Bureau bill, in the House, were under consideration to-day.

A stated delegation has arrived here from Newbern, N. C., on a mission to break down the effort of exposures made by Gens. Fullerton and Steadman, as to the management of the Freedmen's affairs in that State, as reflecting upon the relative conduct of one of the President's Commissioners while at Newbern These reports have already been forwarded, and are anxiously looked for. It is believed that no stone will be left unturned to crush men who have been instrumental in exposing the nefarious transactions of the Freedmen's Bureau.

From San Prancisco.

San Francisco, May 24 -- One thousand Fenians are assembled here to-day to express their devotion to the Irish cause, and their determination to has their influence to heal the dissentions existing in the Fenian Brotherhood. Speeches were made by John Hamill, State Centre, Col. Walsh, of General Sweeney's staff, and others.

The French coolie ship Hong Kong had been seized by the police on board of her, and when the vessel was recovered from them her decks were covered with the blood of dead coolies.

BORTON, May 24.-The brig Ann Elizabeth was run into this morning by the British brig J. B. Ringratter, and sunk instantly, carrying down four of the crew. The captain and one man only were saved.
